## REPORT OF THE BOARD OF HEALTH

---

Fellow Citizens:

There have been reported to the Board during the year the following number of communicable diseases:

Scarlet Fever, 21 cases; Diptheria, 2; Measles, 31; Pulmonary Tuberculosis, 1; Typhoid Fever, 1; Whooping Cough, 3; Lobar Pneumonia, 4.

A more than average number of cases of Scarlet Fever in Adamsville and Foundryville School Districts, probably starting from an unrecognized mild case, and continued by there having been a so-called "carrier" case, not sick enough for the disease to be recognized, but carrying the disease germs in their throat, and in that manner spreading the disease.

Respectfully submitted,

BYRON L. STOWE,  
ROSS E. PURRINGTON,  
THOMAS WHITE,  
JOHN W. CRAM, M. D., Sec.  
and Agent of Board.

## REPORT OF LIBRARIAN

---

To the Trustees of the Griswold Memorial Library:

Herewith is submitted the annual report of the Librarian for the year ending December 31, 1920.

The Library has been opened during the year at the regular hours, but, owing to lack of car service, the Wednesday opening has been changed to Monday. Misses Gladys and Pearl Harner have served as assistants.

The total circulation during the year has been 5,242 volumes, adult, 3,777, juvenile 1,465. The teachers have continued to take out a good many books for the schools, enabling children who do not come to the Library to have the use of the books.

In July the Free Public Commission of Massachusetts paid the expenses of the Librarian to a three days session of the Massachusetts State Library Institute held at Simmons College, Boston. The Librarian also attended a County Library Meeting held at Greenfield in October.

During the year we have received several books as gifts:

from Free Public Library Commission,  
fourteen books;

from Mrs. Mary Russell, three vols. of  
Encyclopedia of Biography of Massachusetts.

from Mrs. Belle Miller, Samuel Taggart's Sermons and two vols. of  
Record of Massachusetts Volunteers  
61-65;

from Mrs. Dexter, five books;

from Mrs. E. B. Francis, forty children's  
books.

We have also received "Life of Leonard Wood" and "Leonard Wood on National issues" from the authors.

A new Traveling Library has been loaned by the Women's Educational Association, and the French and Polish books have been returned and a new lot of books in the French language have been sent.

Subscriptions have been entered for the following magazines: Harper's Atlantic Monthly, World's Work, American, Ladies' Home Journal, Good Housekeeping, Woman's Home Companion, Popular Science Monthly, Delineator, Modern Priscilla and Youth's Companion. After these have been on the tables a month they are put into circulation.

Respectfully submitted,

BERTHA L. READ,  
Librarian.
